

This hike will be on the beautiful Pine Mountain Trail in Georgia and we will be hiking the Wolfden Loop which is about 6.7 miles. The trail is inside FDR State park so there will be a fee, whether you camp or just park for the day while we hike. We will meet at the WJSP Tower Parking Lot and Picnic Area which is on GA 85W at 9 AM CST and start hiking at 9:30. If you find it too cold to camp there are motels in the area. Callaway Gardens are very close by for those that want to stay another day and visit the beautiful gardens there. I will probably be hiking another portion of the trail on Sunday morning. Please let me know by Thursday Jan 17 if you are coming. Peggy Grantham 850-995-4267
